Re-inspection: I have re-inspected the captioned vehicle & have found that the repairs / or & replacements made strictly followed as per our final survey report. I have also taken a few necessary photographs of the same along with salvage parts. The vehicle re-inspected was found to be in road worthy condition at the time of my survey. As per the insurer's we have also conducted the salvage destruction process during our re-inspection & also we have taken a couple of photographs of the destructed salvage along with the vehicle for the verification of the same.
